

Product Discontinuation

NCC® Transformer and NCC® Transformer Pro

Dear Customers,
Dear NOLDEN prospective customers,

we would like to inform you that we will no longer offer the products NCC® Transformer and NCC® Transformer Pro as of **January 1st, 2023**. The supply of spare parts after 01/01/2023 is of course guaranteed. Please understand that we are already refusing to include the NCC® Transformer and NCC® Transformer Pro products in new projects. The availability of goods for already planned or ongoing projects is guaranteed as agreed.

Please do not hesitate to contact us if you have any questions about this information or would like advice on replacement products.

With best regards

NOLDEN Cars & Concepts GmbH
